

Time (Z) Event

12:28 BOS Center calls Command Center to advise of a possible hijack of AAL11. ZBW advises that the controllers heard something like a threat to the cockpit. Bos Center says transponder is off, headed due south just west of ALB. Heading towards ZNY. AAL11 BOS-LAX FL290 B767 220KTS 127.82

12:29 Command Center National Operations Manager relays AAL11 information to Department of Defense (DOD)

12:29 (Position 15) DCC calls ZNY/ZOB about AAL11. ZBW says they do not know where he is going. They lost freq and target but have a primary target. ZBW tells about the altitude and direction but does not tell about the possible hijack.

12:29 (Severe Wx ?) Notified by the east area about ZBW suspected hijack of AAL11.

12:30 Severe Wx supervisor calls AAL. Informs AAL (Bob Marino) about that we have lost transponder information, radio conversation and radar contact. They are tracking a primary target. The Command Center NOM informs AAL of the last known position of the aircraft and the fact that we are tracking what appears to be the aircraft heading south-southwest bound. Also some mentions that was made to the cockpit. BOS was uncertain of the exact statement used.

12:32 (Severe Wx supervisor ?) Barged position 15 conference in progress by ZBW which notified ZNY and ZOB about AAL11.

12:34 Called American from position 27 to notify them of AAL11 and ask if they had any information. Bob Marino knew nothing and would get his supervisors involved.

12:36 (DCC NOM ?) Called HQ WOC from NOM position to notify them about AAL11 situation. Telcon already in progress for ZBW with FA security. Call made on admin line X4525.

12:38 (Severe Wx Supervisor ?) Called American to notify them of facts known about AAL11, they know more about the flight now and indicated they knew a flight attendant had been stabbed.

12:40 (NOM ?) Called WOC to get into Telcon on the operational phone and hung up admin phone.

12:40 (Position 15) ZBW called N90 through the DCC to advise that AAL11 appears to be slowing down and is headed for the vicinity of New York City. ZBW states that the pilot has been keeping the mike keyed and the hijack has been confirmed. The specific threat has not been relayed. (1242Z) ZBW states Fighters from FMH (OTIS) have been scrambled. ZBW confirms that ZNY/ZOB know the situation. ZBW states that the TSD is showing the aircraft.

12:43 (NOM ?) Connected ZNY into WOC bridge to get info from ZBW about AAL11.

12:44 (Position 14) DCC calls ZDC to advise about AAL11. They say that if this aircraft continues on it's flight path, they will fly into ZDC airspace.

12:46 (NOM ?) Went into EOR to the 8:30 brief about AAL11.

12:49 (Position 15) ZNY asked if the DCC has any direct lines to the military. DCC respond that the supervisor is on his way back to CARF. ZNY says that they lost the primary to AAL11 about 20 west of JFK and we are receiving an ELT. ZNY requests Coast Guard to respond. JKF Tower reports that there is fire at the World Trade Center. This is where we lost the airplane.

12:51 (Position 15) ZBW calls DCC to advise that they lost the track on AAL11, B767, and
ELT is being received.

12:52 (Position 15) Aircraft observed crashed into World Trade Center in NY. Aircraft
believed to be AAL11.

12:53 DCC calls ZDC to tell them that AAL11 has crashed into the WTC.

12:53 DCC calls ZOB to tell them that AAL11 has crashed into the WTC.

12:55 (NOM ?) Returned to ops floor to find out an aircraft had hit the WTC.

13:00 (NTMO or AAL ?) Contacted crews, especially those within ZBW. Accounted for
the crews and checked for any recognized suspicious activity. Advised them to use
extreme security precautions due to apparent terrorist activities. Advised Bob
Lamond.

13:03 (Position 15 Log) Second aircraft hits World Trade Center. This one hits the other
tower.

13:04 (Position 15) ZBW called to advise that all departures out of ZBW have been
stopped. ?????

13:05 (Position 14 ?) ZNY1 GS

13:05 (NOM/Procedures ?) All employees advised to refer all calls to Public Affairs.

13:05 (Howard Payne of Automation ?) AOP/AVN advised by Howard of heightened
security and Non-FAA employees sent out.

13:07 (Position 14 Logs) ZNY calls Command Center to advise ATC-0. Command Center
issues a Ground stop for anything to or through ZNY.

13:08 Command Center advisory 027 sent to advise of ZNY to/through ground stop.

13:08 ANE Advisory to dispatchers for international flight security.

13:10 Second aircraft hits WTC. ZNY asks for help from military. Coordinated with east
NTMO to stop ZNY and 1st tier traffic. All ZNY arrivals stopped. Info came from
ZID about losing AAL77, also LAX-bound. Went to position 22 to GS all traffic to
LAX from all centers. ZOB advises lost contact with UAL93. Coordinated with east
and west to GS all traffic in the country. After that coordination to find out which
way AAL77 was going, then coordination to assist in finding AAL247, USA41,
DAL1989, NWA197, UAL641, UAL57, USA633.

13:12 PHL/BWI
ZNY has declared ATC Zero at XXXX (1322Z)
ZBW

13:13 DCC calls to ask what help, if any the DCC can be at this time. BOS says that they
have been putting aircraft on the ground. SPO asked ZBW to do a SPURT on
on UAL175 to see if that is the aircraft that went second into the WTC. ZBW says
did work the aircraft but haven't done a SPURT. DCC akses ZBW to run the SPRT
and call them back.

13:14 ZBW calls to advise that the second aircraft that crashed int WTC was also a BOS to
LAX flight. UAL175 B767. ZBW DAL1989 is another BOS-LAX flight. Status
being checked.

13:15 Announce on the next SPO that a telcon will be conducted by DCC at 1430Z.

13:16 ZBW calls back that both traffic aircraft that hit the WTC were out of BOS and that
believe that we need to make an announcement that all aircraft which are flying
should have heightened cockpit security. ZBW asks DCC to covey that message to
everyone.

13:18 Command Center NTMO informs ZTL watch desk to watch for unusual flights/happenings

13:19 Command Center NTMO calls ZOB and asks them to watch for unusual flights/happenings. DCC confirms that BOS is also ATC zero.

13:20 Command Center NTMO informs ZID watch desk to watch for unusual flights/happenings. Confirms ZNY/ZBW are ATC zero.

13:20 DCC calls ZOB about the two aircraft call signs who when into the WCT and asked if ZOB is tracking DAL1989 who the New England region says is in ZOB airspace. After checking, ZOB returns and confirms that they have DAL1989 is under ZOB control at FL350 and is preceding westbound. The pilot is aware of the situation.

13:20 AAL77 west of HVQ. Lost comm. radar, no primary.

13:23 Guard to call visitors with EDS badge to Howard Payne

13:23 Command Center NTMO informs ZJX watch desk to watch for unusual flights/happenings. ZJX will make sure primaries are on and recalled all departed flights ZJX says there is a (aircraft) carrier out in tail hook.

13:24 Command Center NTMO informs ZMA watch desk to watch for unusual flights/happings.

13:24 All traffic to and through ZBW has been ground Stopped on Command Center Advisory 029

13:26 ZOB PHL – DIV LEVEL13:24

13:26 Command Center NTMO informs ZME watch desk to watch for unusual flights Internal security is heightened.

13:27 (Position 15) Ground stop issued for all flights in the US

13:27 Command Center NTMO informs ZAU/ZKC/ZFW/ZMP/ZHU watch desk to watch for unusual flights/happenings. ZHU asked if the Mexican Centers will be advised. Command Center relays that there is an All Ground Stop in effect at this time.

13:28 DCC calls ZOB to ask if they are tracking AAL11 on active radar. ZOB confirms they are not tracking this aircraft.

13:29 (Position 15) All Ground Stop advisory 031 issued.

13:30 All traffic to and through ZDC has been ground Stopped on Command Center Advisory 030

13:30 (From West NTMO Log) All Centers/All Departures Ground stopped on Command Center Advisory 031.

13:30 (From West NTMO Log) All Centers Confrenced, Advised to report all missing aircraft or unusual situation to the Command Center.

13:30 Unable Justice Department (Justice Department 202-514-5000)

13:30 Announcements on SPO-will not be conducted

13:30 EDS sending guard to the floor.

13:30 RDU/BWI/IAD/PHL/CLT/ATL – Stop all departures WA/RG

13:31 DCC West TMO on a national telcon asks all TMO's to inventory airborne aircraft and make sure everyone is accounted for. If anyone has an aircraft which is overdue, dropped targets or not accounted for, report the call sign to the Command Center ASAP.

13:31 All traffic to and through ZLA has been Gound Stopped on Command Center Advisory 032

13:31 Military working on setting on COMM war-room.

13:32 DCC calls ZHU to let them know that the Command Center will let Mexico know about the All Ground Stop. ZHU says they can tell Mexico faster than the Command Center and would handle this for DCC.

13:32:21 On National Telcon ZOB reports that UAL93 may have a bomb on board. UAL93 is out of EWR-SFO. He is 30 east of DJB. ZOB does have a transponder and is in radar contact. DCC asked why ZOB believes there is a bomb on board. ZOB responds that this is what he is screaming on the frequency.

13:32 Allen Firber

13:34 RDU...

13:35 Command Center NTMO informs ZDV watch desk to watch for unusual flights/happenings.

13:36 Command Center NTMO informs ZSE/ZOA/ZLC watch desk to watch for unusual flights/happenings. ZOA asks about Oceanic traffic. Talking about Guam and places like that. Island depts. Into the USA or going west into Austrilia or the Far East. DCC checks and states that ZOA should stop all island traffic coming to the US.

13:36 ZMA - South America - Northbound/divert Orlando A/C 1394 MIA
